

RAZCHEL CONCEPCION

SENIOR CREATIVE DESIGNER

As a graphic designer with 10 years of experience, I have developed a diverse skillset that has allowed me to excel in various areas of the industry. My expertise includes both print and digital design, branding and identity development, marketing collateral creation, and website design. Throughout my career, I have consistently demonstrated a strong eye for design and attention to detail, resulting in high-quality deliverables and satisfied clients.

In addition to my design skills, I also possess strong supervisory and project management abilities. I have experience leading and mentoring junior designers, overseeing design projects from conception to completion, and collaborating with cross-functional teams to ensure successful outcomes. I am skilled in project planning, budgeting, and resource allocation, and have a proven track record of delivering projects on time and within budget.

Overall, my combination of design expertise, supervisory skills, and project management experience make me a valuable asset to any team. I am passionate about creating visually stunning designs that drive results, and am committed to helping organizations achieve their business goals through strategic design initiatives.
